Manney's Reaper and Mower.

I REFER the Farmers to the statements below, made by Dr. John Shelby and L. F. Bradley. I have seen it in operation several times. I am satisfied of its great utility. As be sen on is advancing, I now offer those I have on hand for L. P. CHEATHAM.

Nashville, June 28, 1859.

Col. L. P. Chratham: — Dear Sir:—I have been using be "Resping and Mowing Machine" pateriorised by Manney of Illinois, which you are now affering to the citizens of Tennessee. It is a prinst have labout saviss Martins. It works nearly and harmout, The amount cut per day will depend principally upon the speed of the team. If the team can ravel four miles per hour, it will Reap or Mow, fifteen acres a ten hours. It is entitled to the confidence of the public.

Respectfully J. SHELBY.

1, L. F. Bradley, now managing the farm of Dr. Shelby, make the following statement: We have had for more than gled, and I now state that it move and cuts cleaner than the sythe obtate, and that it will move part day as much as 14 hands, and it can respect least twenty-four acres per day.

The symplectic day is much as 14 times and it can respect least twenty-four acres per day.

RANAWAY from the subscriber on the right of the 3rd inst., his negro boy AMOS. He is about to years of age, 5 feet 9 or 10 profess high and weight about 150 pounds. He is a bright mulatto, has straight hair and blue eyes, and will no doubt attempt to pass him. self as a white man. He was raised by a Mr. Dickey, of Sparianturg District, and was raised by Capt. James Hands of Spariantury C. H. He is probably lurking in the vicinity of that fown, or may attempt his escape to a free State. He rode off a sorrel horse ten or twelve years old, which have scar on both shoulders caused by warts and is shod behind, is quick in guits and steps short, holds to be spetcial. The above reward of FIFTY DOLLARS will be given for the apprehension of the boy and horse the beyonds that, at in may just in the State. All expenses for keeping the borse will also be paid.

South of Cotton. Gum Goods, Goodvear's Patent, best articles.

Furnishing Store, College street, 1 door South of the Square, Nashville. CAUTION TO GINNERS OF COTTON. THE undersigned dealers in and manufacturers of Cotton, hereby give notice to all persons offering Cotton to them for sale, that it must be packed in such a manner that the samples drawn from the edges of the bale will fairly represent the quality and condition of the whole bale; other wise they will claim, from the seller or owner, as damage the difference between the actual worth at the time the facis ascertained, and the original cost, with all expenses in-curred previous to detection, and the cost of returning the cotton—should it be returned. And furtherware, that we will whenever a pulpable case of fraud in packing cotton is detected, cause the same to be published in the papers of this city, with the names of the seller, owner and ginner.—

this city, with the names of the seller, owner and ginner.—
The undersigned are compelled to this course by the frequent cases of fraud detected in scaler and falsely packing cotton—resulting frequently in heavy losses to the owner, and will if continued, lower the character of Nashville Cotton, and thereby injure those who pack cotton honestly.

J. H. Eurrow's Patent Plantation

(DEEN MILL).

This Mill differs from all others in the construction of the upper or Running Stone, which is composed of French Burr Blocks, esclosed in a cast iron Case, which forms the back and hoop of the Stone with a Cast Iron Ryc, or Bush, than is ofgreater external diameter at the bottom that at the top, which is secured to the back by four bolts, so that every block is in the form of a dove tail, which gives greater strength to a Stone than any other method which is required in small mills, where the stone is run with great speed, and becomes dangerous if not strongly made. It also gives any weight to a stone of small dismeter that is required without having it these or high, that makes it top heavy.

This mill has appare frame made of weod or cast fron, in

he Driving Pulley in a level position; make the belt of the spiridle well oiled. Place the star on the back of the Running Stone, in the same way as the Cross on the Driver, that is, the way they are trimmed to run.

Refer to Thes. Patterson, Esq., of Highland county, Ohio, Jease Beal, Esq., of Clinton county, Ohio C. S. Bradbury, Keq., of Cincinnati, and a number of others.

All orders directed to JOHN E. BOUMAN, No. 52 Broadway, Nashville, Agent for Middleand East Tennessee, or J. H. BURROWS, in 19. 95. d. tr.w. & w. le.

Tennessee, or J. H. BURROWS, jan 26-4, tr-w. & w. ly. West Front st. Cin. O, ERS'S PATENT STRAW CUTTER AND INDEPEN-DENT CORN CHOPPER.

THIS very important invention has been in use about three years. The inventor has made improvement which have rendered it perfect as a STRAW AND CORN CUTTING MACHINE. It has given entire satisfaction to every one who has used it, and is the most an in use, for the purpose for which it is designed. ple in all its parts, durable and easily kept in order. It is three inches in length. Many certificates might be pro-duced from Farmers who have used them, to prove their superiority over any other straw and corn cutter now in use. Persons needing such an article may rest assured that in it they will find a valuable acquisition to their farm The subscriber has greatly extended his means forman-

facturing these imminister, and he now solicits for them he attention of the public, and the farmers and planters sarticularly, of the South and West. He will hereafter be particlearry, of the South and West. He will hereafter be able to fill all orders rapidly, and ensures all machines to do the work for which they are designed.

Being the inventor and patentee, and sole proprietor, he will dispose of rights for counties or. States on reasonable terms, to any Mechanic who may wish to manufacture them, and will furnish one set of casting for patterns JOHN E. ERB.

DR. FRASK'S MAGNETIC OINTMENT.

MR. WINTERS bad lost nearly all of his hair and and now has as beautiful a head of hair as any ma and now has as beautiful vish. His aga is about 50 years.

A sea of Mr. Warren, of this town, 14 years of age, had

A sea of Mr. Warren, of this town, 14 years of age, had been afflicted with the Asthma from his crudle. He had the benefit of the best medical advice that a loving and wealthy father could procure, without avail. It was one of the most aggravated cases I ever saw; he was emeriated al-most to a skeleton. By the use of a few bottles of the Oint

This was an extreme case of inflammation of the spless of long standing has a variety of treatment from no less than cured by the use of only four boules of the Magnetic Oint-ment. This was four months ago and the lady (a Mrs. Dun-ham,) is still in good health, and able to aftend to her usual household dutie. I have treated two cases of Chronic Soc Egos with the Cintiment, both of the patients so north and, as to need an attendant to lead them from place place. One of litera had been afficied 1's years, the other about 9 years. They lead tried the best physicians in the State, without benefit; and one of them had been under the treatment of the celebrated Dr. Muzzy, of Cincinnati, for eighteen months, and had expended bundreds of dollars in vain efforts to effect a cure. They are now by use of the Magnetic Ointment, nearly or quite cured; and are able to read and attend to any ordinary business. I have used the Ointment in a number of cases of Piles, and in an case has it failed of nicina immuliate raint and governly a permonen

sure. I have also used it beneficially in severe cases of Eryspelas. And last but not least, I have within the last year cured four cases of CANCER by the use of the Magnetic Ocutment alone! From a thorough trial of the Ointment in nearly every disease for which it is recommended, I can confidently re-commend it to be one of the most useful remedies ever offered to the public.

Dated Jan 27, 1850, Amelia, Ohio. The character of this Cintment, as an efficient remedy, is established in the city. There are quite a number of indi-riduals who ascribe their restoration to health to the use of his extraordinary Ointment, H. O. SCOVEL, BERRY & DEMOVILLE, CARTWRIGHT & ARMSTRONG.

will replace weakness with strongth, incapacity with entriescy, irregularity with un-form and natural activity, and this
not only without hazard or reaction, but with a happy effect
on the general organization. It p lear is mine that all
maladies, wherever they hegh, faish with the nervous system, and that the paralization of the nerves of mortion and
sensation is physical death. Earlin mined also, that for every kind of nervous disease his kitair Cordini is the unity reliable preparation known.

Cure of Nervous Disenses, No language can convey an adequate idea or the immedite and almost miraculous change which it occasions in the lower of debilitated and shattered nervous system, whether roken down by excess, weak by nature, or impaired by sick-

of the nineteenth century. It is, as the first scientific man be the world would have admitted, that mirrorle of medicine heretofore supposed to have no existence. A Stimulant that Entails No Re-Action. Its force is never expanded, as is the case with opium, alcoholic preparations, and all other excitants. The off-cit of there is being, and it may well besided of him who intended, "The instanteed that man is worse than the first." But the

operation, perpetual in its hoppy influence upon the nerves, the mind, and the entire organization; it will also remove depressions, excitement, a leviency to blash, sleeplessness, dislike of society, incapacity, for sindy or business. Loss of Memory, Confusion, giddiness, rush of blood to me head, mehmental deality, hysteria, wretchedness, thoughts of self d struction, fear of insunity, hypochondriasts, dyspepsin gen ral prostration, irritability, nervousness, irrability to she

A Great Medicine for Females A Grent Medicine for Femules,

The unparalleled effects of this great restorative, in all complaints incident to semiles, mark a new era in the animals of medicine. Thousands of stimulants have been incented—thousands of invigorants concerted—all purporting tabe specified in the various cleaness and derangements in which the delicate foruntion of woman render her liable.—The result has heretotors been uniform. These nostroms have indeed imparted a momentary vivacity to the narrous system, a transient and delicate vipor to the muscles but this fitsh of relief has been succeeded by a depression and prostration greater than before, and the end has too often been unterly to paralyza the recuperative power of the nervers and the vital organization, and finally to destroy the unuspip patient. But in

Morse's Invigorating Elixir. Morse's Invigorating Elixir.

Is presented as a phenomena in the materia medica hitherto unbears of—a stimulant without a remotion.

The herb which forms its mein ingredient, has been admitted by all the great medicat and pharmacentical institutions of Kurops to be in this respect ray geners. Br. Morse, whose name is an undisputed authority in sciences, discovered the production in Arabia, where his attention was excited by the wonderfully invigorating effects it produced upon the universe. In fact the wonderful power of endurance, the exhaustless vigor exhibited by the Arab, of both sexes, in their desect pilgrimages, is stirchutable to the use of this in their desert pligrimages, is attributable to the use of

An appeal is made to Every Woman of Sense,
who suffers from weakness, derangement, nervousness, tremors, pains in the back, or any other disorder, whether peculiar to her sex, or common in both access—to give the Invigorating Cordials trial.

Married Persons,
or others, will find this Cordial after they have used a bottle
or two, a thorough regenerator of the system. In all directiors are to be from the happy parents of healthy offspring,
who would not have been so, but for this extraordinary preparation. And it is equally potent for the many diseases for
which it is recommended. Thousands of young men have
been restored by using it, and not in a single instance has it
failed to benefit them.

Persons of Pale Complexion. Every Woman of Sense,

Persons of Pale Complexion, implive liabits, are restored by the use of a bottle or stoom and vigor changing the skin from a pale, yet kly color, to a beautiful florid complexion.

To the Misgnided, low, sickly color, to a

To the Missunded,
These are some of the sad and metancholy effects produced
by early habits of youth, viz. weathers of the back and
limbs, pains in the head, dimness of sight, loss of muscular
power, palpitation of the liveart, dispepsia, nervous reliability, derangement of the dige-selve functions, general debitty,
ay improve of consumption, &c.

Mentally, the fearful effects on the mind are much to be
dreaded. Loss of memory, confusion of ideas, depression of
spirits, evil fore-bodings, aversion to society, self-distruct,
love of solitude, timidity, &c., are some of the evils produced.
All thus sufficed All thus afflicted Before Contemplating Marriage.

hould reflect that a sound mind and body are the most nee grimage, the prospect hourly darkens the view; the mind be comesshadowed with despair, and filled with the melian has reflection that the happiness of another becomes blighte Parents and Guardians.

Are often misled with respect to the causes and sources of diseases in their sources of wards. How often do they ascribe to other causes of wasting of the frame, loiney, madress, parplitation of the heart, indiscusions, distangement of the nervous system, cough and symptoms indicating consemption, when the truth is, that they have been including in a parallel clous though allaring practice, destructive both a and body.
